Excend Engaged as Advisor for Regional Coal Operator

Regional coal operator with over 361 million tons in coal resources engages Excend as advisor

Madrid, Spain—December 5, 2014—With 11 coal mines under ownership and partnerships with leading regional and international commodities buyers and distributors, the company utilizes Excend as its advisor to identify institutional capital providers to assist with the expansion of its drilling, mining, and power production operations.

EXCEND provides advisory services to middle market companies. Contact EXCEND at www.excend.com or 01-801-532-2268.
