Financial Services & Real Estate Firms Engage Excend

Andean-based companies in financial services & real estate development engage Excend for advisory services

Bogotá, Colombia—January 19, 2016—One of the fastest-growing providers of financial services to middle and lower-income Colombian consumers has engaged Excend to advise on a debt and equity transaction for growth capital. The company provides a diversified financial offering including automotive loans, payroll financing, and micro-credit.

Additionally, Excend was engaged by a real estate developer of mixed-use housing projects with medium Capex requirements in excess of \$300MM USD.

EXCEND provides advisory services to middle market companies in Latin America. Contact EXCEND at www.excend.com.
